

FESTOON BULBS

These Festoon bulbs are made with Super Bright SMD LEDs, and can be used to replace your existing lights such as roof, doors, boot, glove box and trailer lights. Available in four common lengths: 31mm, 33mm, 37mm, and 42mm.

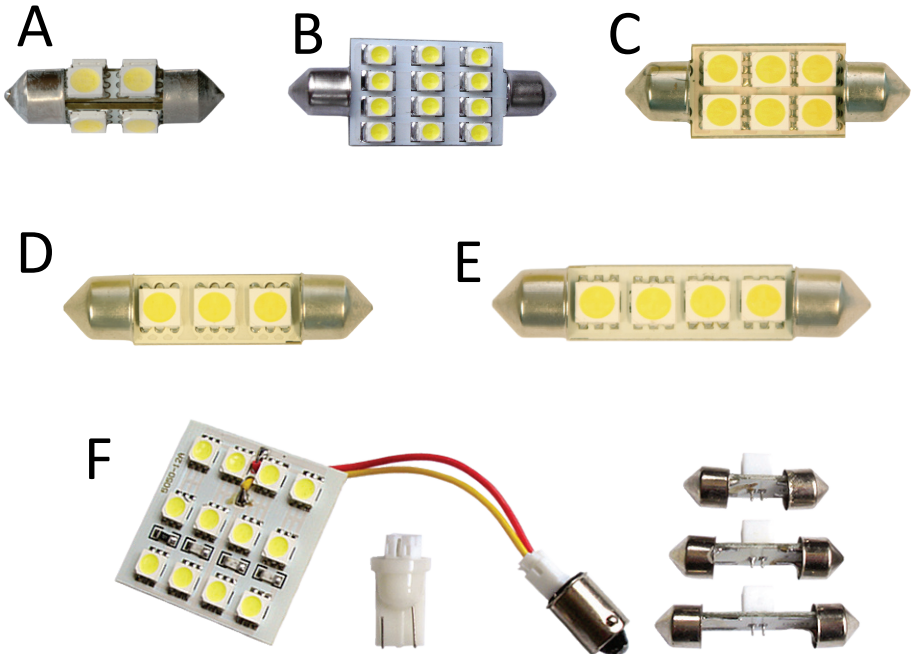

NOTE: These bulbs have reverse polarity protection. If they do not go at first, turn them around the other way in your fitting.

Key Advantages

- Cool running
- Long lifespan
- Consistent / stable light output
- Drop-in replacement

Technical Specifications

- Average lifetime: 40,000 hours
- Beam angle: ~120°
- Working temperature: < 60 °C
- No UV & IR emissions
